## **PREFACE**

### **Price List 2017**

A new pricelist with many spring flowering bulbs and tubers, including some new miscellaneous bulbs, tulips and daffodils. You can recognize them by the **N.** in the pricelist. Particularly striking are the Iris reticulata 'Painted Lady' and the brightly colored Tulipa 'Spryng Break'. From page 40 at bulbs for indoors you will find our wide and unique range of Hippeastrum. New this year is the large-flowered Hippeastrum 'Striped Amadeus' and the small-flowered multifloras are now available in more colors.

### **Garden Keukenhof 2017**

We have received many compliments about the applied flower bulbs in our submission on the Keukenhof garden. Especially the Anemone coronaria stood out with its cheerful colors. You can find the pictures on our website.

### **Website [www.eurobulb.nl](http://www.eurobulb.nl)**

A new website with more and bigger photos of all our products, regularly updated with current offers. By keeping our price list simple, we are able to make sure our bulbs and tubers remain affordable. Together with the information on our website, it gives a good impression of our complete range of products.

### **Place your order in time**

Many specialty bulbs are grown on a limited scale. To avoid disappointments, do not wait too long before submitting your order. Orders are processed in order of receipt. On the order form you can specify the desired delivery time. Attention: our delivery time in the main season is 2 weeks.

### **Additional discounts**

For larger quantities, we apply a discount to the list price:

- If you order ten times the quoted number, you will receive a **7%** discount.
- For more than 20 times the quoted number, the discount is **10%**.
- It is also possible to order smaller quantities than the quoted number, you will be charged an extra **10%** on the list price. When you pay in advance, by credit card or using PayPal, you get a **5%** discount.

### **Free shipping**

We shall bear the costs for shipping and handling for all shipments with a value of € 100,00 or more. For shipments below this amount we charge a small fee see page 46 or the page Shipping costs on our website.

### **N&V Bulbs**

With over 21 years of experience in flower bulbs, knowledge and experienced employees, your order is in good hands. As usual we will do everything possible to carry out your assignment as desired, with the quality you have come to expect from us and, of course, true to name.

Enjoy making your choice from our range of great natural products!

## Our special mixtures

<p><b>Crocus 'Swanbury Mix'</b><sup>®</sup>, a beautiful mixture of large-flowered and small-flowered crocuses, which doubles the flowering period. Composition: 20% large flowered blue, 10% large flowered white, 10% large flowered striped, 5% large flowered yellow, 10% ancyrensis, 10% chrysanthus 'Ard Schenk', 10% chrysanthus 'Blue Pearl', 5% chrysanthus 'Fuscotinctus' and 20% tommasinianus 'Ruby Giant'.</p>	100 p.	9,90
<p><b>Crocus 'Schothorst Mix purple/blue'</b><sup>®</sup>, Crocus 'Schothorst Mix purple/blue', one of the mixes we have made especially for a new part of the Dutch city Amersfoort and now available for all customers. Just like our famous 'Swanbury Mix' it is a mixture of large flowered and small flowered crocuses to enlarge the flowering period. This is a mixture of the following crocuses: 'Flower Record', 'Remembrance', chrysanthus 'Blue Pearl', tommasinianus 'Barr's Purple', tommasinianus 'Ruby Giant' and tommasinianus 'Whitewell Purple'.</p>	100 p.	9,75
<p><b>Muscari 'Magic Mix'</b>, a beautiful mix of three Magic Muscari: Blue Magic<sup>®</sup>, Ocean Magic<sup>®</sup> and White Magic<sup>®</sup>. These Muscari make less foliage compared to the Muscari armeniacum and are very good for naturalizing.</p>	100	18,75
<p><b>Narcissus 'Marcel's Choice'</b><sup>®</sup>, a mix in white and yellow with Narcissus triandrus 'Thalia' and Narcissus jonquilla 'Golden Compass', both 35 cm. and flowering at the same time.</p>	100	24,50
<p><b>Narcissus 'Swanbury Yellow'</b><sup>®</sup>, mixture of three different yellow daffodils (trumpet narcissus), one early, one mid-early and one late variety to extend the total flowering season. All suitable for naturalizing. Bulb size 12/14.</p>	100 p.	20,00
<p><b>Tulipa 'Clusiana Mix'</b>, a mix of five Clusiana tulips (see page 30) gives you a splendid show. Very suitable for naturalizing.</p>	100 p.	24,50
<p><b>Tulipa 'Dynamic Change'</b><sup>®</sup>, a mix of two tulips (Purple Prince and Candy Prince) with the same flowering period and height in a splendid color combination. Height 35 cm. All our orders are packed by hand at the moment that we are planning to ship your order. That guarantees a 50/50 mix.</p>	100 p.	19,50
<p><b>Tulipa 'Dynamic Change Completed'</b><sup>®</sup>, the successful mix of the tulips Purple Prince and Candy Prince, now complemented by the cream white White Prince. Here too we mix the bulbs manually for an even color ratio.</p>	100 p.	21,50 <b>NEW</b>

**Tulipa 'Madonna Mix'**, a mix with the parrot tulips Madonna (white), Red Madonna and Yellow Madonna, all flower at the same time. Height 40 cm. Bulb size 12/+. 50 p. 14,00

**Tulipa 'Tuinerie-Mix'**<sup>®</sup>, a mix of the tulips Queen of Night, Negrita and Shirley based on an idea of the Dutch garden designer Alie Stoffers of De Tuinerie in Kolham (NL). 100 p. 21,00

## Special offers

**Crocus speciosus Mix (Autumn flowering)**, nice mix of speciosus crocuses including the white C. speciosus 'Albus'. Free flowering and very suitable for naturalizing. Order before the 1th of September. 100 p. 25,00

**Autumn flowering crocuses mixed**, flowering for many years and flowering for the first time this year, at least 6 varieties. (only available when ordered before the 1th of September.) 100 p. 12,00

**Mixed hyacinths**, mix of 5 different colors, bulb size 15/16. 50 p. 16,00

**Narcissus 'Carlton'**, the most common yellow daffodil, suitable for naturalizing. Bulb size 12/14. 100 p. 11,50

**Narcissus small flowered mix**, a mixture with 6 or more small flowered varieties. 100 p. 16,00

**Darwin hybrids tulips**, a mixture with 6 or more varieties. Bulb size 12/+. 50 p. 9,50

**Single late tulips mixed**, a mixture with 6 or more varieties. Bulb size 11/12 and 12/+. 50 p. 9,00

**Triumph-tulips mixed**, a mixture with 6 or more varieties. Bulb size 11/12 and 12/+. 50 p. 8,75

**Tulips for cutting**, a splendid mix with Triumph tulips, Single late tulips and Darwin hybrids, bulb sizes 11/12 and 12/+. 100 p. 18,50

# Allium

General information: Most Alliums like a well-drained soil. Which makes this plant suitable for sandy soils, but unfortunately less for (moist) loam and peat soils.

Allium large-flowered hybrids, May-July flowering.	a piece
<b>afatunense 'Purple Sensation'</b> , purple, height 80 cm. Bulb size 12/+.	0,40
<b>altissimum 'Samson'</b> , a special selection of A. altissimum with all the same height and flower size. Height 200 cm. Flower size 10-12 cm. Bulb size 22/+.	2,75
<b>'Ambassador'</b> <sup>®</sup> , a large flowering violet blue Allium with very strong stems. Height 120 cm. Flowering period: June. Bulb size 28/+.	3,60
<b>atropurpureum</b> , purple-red, 60-80 cm. Bulb size 10/+.	0,37
<b>bulgaricum</b> , see Nectaroscordum siculum on page 21.	
<b>christophii</b> , (Syn. Albopilosum), lilac, large flowered Allium. Excellent for drying. Height 40 cm. Bulb size 14/+.	0,45
<b>'Firmament'</b> , beautiful purple Allium, height 70 cm. Bulb size 10/+.	1,75
<b>'Forelock'</b> <sup>®</sup> , maroon with a purple 'crest', height 60 cm. Bulb size 14/+.	2,50
<b>giganteum</b> , violet, large flower, height 150 cm. Bulb size 20/+.	2,75
<b>'Gladiator'</b> , early flowering, lilac purple Allium, height 100 cm. Bulb size 18/+.	1,15
<b>'Globemaster'</b> <sup>®</sup> , a large Allium (100 cm.) with very big lilac flowers. One of the best of the large flowering alliums. Flowering time: more than 5 weeks. Bulb size 22/+.	4,60
<b>'Jackpot'</b> , violet flowers, height 100 cm. Flower size 15 cm. Bulb size 14/+.	1,75
<b>karataviense</b> , pale lilac (almost white), height 20 cm. Bulb size 12/+.	0,40
<b>'Mount Everest'</b> , white, height 100 cm. The best large flowered white Allium. Bulb size 20/+.	1,80
<b>nigrum</b> , (Syn. multibulbosum), white, height 70 cm. Bulb size 12/+.	0,36
<b>obliquum</b> , height 60-90 cm. Nice but rather small round flower heads in greenish yellow, flowering period: June-July. Bulb size I.	2,75
<b>'Ostara'</b> , a cross between A. karataviense and A. atropurpureum makes this cultivar to a 40 cm. high karataviense shaped plant with atropurpureum coloured flowers.	1,65
<b>schubertii</b> , violet-pink, large flower, rather strangely shaped. Excellent for drying. Height 40-50 cm. Bulb size 14/+.	1,60
<b>'Spider'</b> <sup>®</sup> , a cross between A. schubertii and A. atropurpureum. The result is a schubertii like flower but a bit smaller and darker. The height of 60 cm. makes it a good cut flower. Bulb size 14/+.	1,70

<b>Allium large-flowered hybrids, cont.</b>		a piece
<b>'Summer Drummer'</b> , late summer flowering, purple red Allium. Height 175 cm. Bulb size 12/+.	<b>N</b>	1,75
<b>'Violet Beauty'</b> , a very nice violet Allium with an umbel of star shaped flowers, height 60 cm. Bulb size 12/+.		0,40
<b>Allium small-flowered hybrids), May-July flowering.</b>		per 10
<b>amplectens 'Graceful Beauty'</b> , round umbels with white flowers, height 40 cm. Bulb size 6/+.		4,10
<b>caeruleum</b> , (Syn. azureum), blue, height 60 cm. Bulb size 5/+.		1,75
<b>'Cameleon'</b> <sup>®</sup> , white fading into pink at the top, height 20 cm. Bulb size 4/+.		2,25
<b>carinatum subsp. pulchellum</b> , pending purple-pink flowers, flowering-time: July-August. Height 40-50 cm. Bulb size l.		4,40
<b>carinatum subsp. pulchellum 'Album'</b> , pending white flowers, flowering-time: July-August. Height 40-50 cm. Bulb size l.		8,25
<b>cernuum</b> , violet pink with pending flowers. Both leaves and flowers are edible. Height 40 cm. Bulb size l.		4,50
<b>cowanii</b> , snow-white flowers. The flowers appear in April-May. Height 40 cm. Bulb size 5/+.	<b>N</b>	1,10
<b>flavum</b> , golden yellow, height 35 cm. Pending flowers. Bulb size l.		5,00
<b>'Hair'</b> <sup>®</sup> , reddish-purple bulbils with unusual green blades, height 30-40 cm. Bulb size 5/+.		2,25
<b>moly</b> , (Syn. luteum), golden yellow, height 30 cm. Bulb size 5/+.		0,70
<b>oreophilum</b> , (Syn. ostrowskianum), purple-pink, height 15 cm. Bulb size 4/+.		0,70
<b>roseum 'Grandiflorum'</b> , satin-pink, height 40 cm. Bulb size 5/+.		0,90
<b>scorodoprasum 'Art'</b> <sup>®</sup> , green blades appearing between small purple bulbils. Height 100-110 cm. Bulb size 5/+.		2,70
<b>sphaerocephalon</b> , drumsticks, purple, excellent cut flower and good for drying, height 80 cm. Bulb size 5/+.		1,40
<b>triquetrum</b> , beautiful white Allium, height 40 cm. Triangle shaped stalk, bulb size 5/+.		3,25
<b>unifolium</b> , purple-pink, good cut flower, height 60 cm. Bulb size 5/+.		1,10
<b>zebdanense</b> , white, height only 25 cm. Excellent for naturalizing. Bulb size l.		4,50

**Anemone nemorosa**

per 10

Height 10-15 cm. Early flowering, native. Bulb size I.

<b>nemorosa</b> , white flowers, native.	2,00
<b>nemorosa 'Hilda'</b> , white with much more (but smaller) petals than the normal <i>A. nemorosa</i> .	9,50
<b>nemorosa 'Robinsoniana'</b> , lavender blue.	10,00
<b>nemorosa 'Royal Blue'</b> , royal blue.	10,00
<b>nemorosa 'Vestal'</b> , double-flowered, white.	14,50
<b>ranunculoides</b> , yellow wood-anemone.	3,30

**Anemone blanda**

per 10

Flowering time: April-May, height 10-15 cm.

<b>'Blue Shades'</b> , various shades of blue, bulb size 5/+.	1,40
<b>'Blue Splendour'</b> , pale violet blue with a white center, the flowers are the same size as 'White Splendour', bulb size 5/+.	2,10
<b>'Charmer'</b> , deep pink, bulb size 5/+.	3,10
<b>'White Splendour'</b> , white, with slightly larger flowers.	2,40
Height 15-20 cm. Bulb size 5/+.	
<b>Mixture</b> , bulb size 5/+.	2,10

<b>stenanthera</b> , soft pink to almost white flowers. Height 20 cm. Bulb size 6/+.		9,90

**Galanthus CITES bulbs.**

per 25

Snowdrops, February-March flowering, height 10-15 cm. Snowdrops needs early planting for a good result in the first year. Planting after the middle of September gives most of the time a poor flowering-result. We like to send only bulb size 5/+ or more but if the price is more important to you than a good result in the first year, than size 4/5 is a very good alternative. Not available for customers outside the EU.

<b>elwesii</b> , large-flowering Snowdrops, Bulb size 7/+.		8,00
<b>elwesii</b> , Bulb size 4/5.		5,00
<b>nivalis</b> , the commonly known Snowdrops, Bulb size 5/+.		7,50
<b>nivalis</b> , Bulb size 4/5.		5,00

**Galanthus, cont.**

offer now per 10

Snowdrops. February-March flowering, height 10-15 cm. Not available for customers outside the EU. CITES bulbs

**'Dionysus'**, Greatorex-Double, a higher plant and bigger flowers compared to *G. nivalis* 'Flore Pleno'. Bulb size 7/+. 16,50

per 10

<b>scilloides var. libanotica</b> , white with light blue stripes. Bulb size 7/+.	1,00
<b>scilloides var. libanotica 'Alba'</b> , pure white. Bulb size 5/+.	1,40

---

### The flower bulb is a living product!

Therefore it is impossible to guarantee the prices for the whole season. Better or worse crops than expected have a strong influence on our purchasing price. However, only extreme circumstances can force us to change our selling price.

---

**Ranunculus**

per 10

Delivery of the Spring flowering bulbs only between the end of August and the end of November.

---

## Hyacinths on glass

per 5

Prepared, for indoors on glass. Bulb size 18/19. Delivery: in the second half of September. Hyacinths for indoors should first be kept in a dark, cool place (9 °C. or less) until the flower bud is clearly visible. The growing point on the bulb then becomes slightly thinner on the bottom. At that point, the bulbs can be placed on a warm and light spot. Hyacinths prepared by mid-September will usually reach that point in early December.

**'Blue Star'**, blue. 4,40

**'Pink Pearl'**, deep pink. 4,40

**'White Pearl'**, white. 4,40

---

### Special glasses for hyacinths

A small vase specially made for Hyacinths, clear (transparent) thin glass. Can also be used as a small floral vase.

A piece € 2,25.

---

## Paperwhite-Narcissus

## Terms of sale

The Dutch Courts in Haarlem will settle any dispute under this contract in connection with any question of law.

- Minimum shipment per delivery date € 40,00.  
The costs of freight and package are not included, see page below of this list.  
Dutch V.A.T. is always included.  
For orders over € 100,00 the costs of freight and packing are included for countries inside the E.C. and for Switzerland.
- We guarantee a good flowering-result, unless you order smaller bulbs than recommended by us.  
If any complaint be made touching the description or quality or condition of any goods delivered by the seller under this contract the seller undertakes either to replace within reasonable time, so much of the goods delivered as may be proved to have been defective as regards description, quality or condition when delivered or at his option to make a fair allowance of the price of so much of the goods delivered.  
The buyer shall have made his complaint to the seller within 10 days of receipt at the buyer's premises. He shall have forwarded with his complaint a written statement with full particulars.
- Neither party is to be held liable for any failure to carry out this contract caused by circumstances beyond that party's control.
- All accounts are due two weeks after date of invoice.  
On overdue accounts 12% interest per annum will be charged, together with the collection expenses.  
Ownership of goods is reserved until all obligations have been fulfilled.

---

### The costs of freight and packing
